Reincarnation & Karma

Learn how reincarnation occurs and how the karma associated with it can be resolved. Must reading for all who want to understand why their life is the way it is!

Edgar Cayce's Story of Karma

Drawing upon contemporary family relationships, as well as family relationships for individuals who received guidance from Edgar Cayce, this insightful volume examines the activities of reincarnation and karma, especially as they play out in the dynamics of family relationships. All individuals are brought together within their respective families as a means of learning specific lessons and having opportunities for personal soul growth. In addition to examining the universal laws of reincarnation and karma, this book illustrates the lawfulness of life, the exacting nature of individual responsibility, and the ever-present hopefulness of personal free will. In the end, Edgar Cayce on Reincarnation and Family Karma makes an enormous contribution to demonstrating that life is a completely lawful experience, that individuals can overcome whatever "karmic lessons" they seem to be faced with, that free will is completely free, and that God is truly as fair and as loving as we have always wished for our Creator to be.

Edgar Cayce on Reincarnation and Family Karma

Life is a completely lawful experience because of the universal laws of reincarnation and karma that draw individuals together. Rather than being some type of unavoidable destiny or a fate about which we can do very little, the Edgar Cayce material instead sees karma as essentially an unconscious reservoir of information stored within the soul's memory. Although this memory may draw certain events and individuals to one another, personal free will and the way in which an individual responds to that memory determines her or his actual life experiences. Edgar Cayce on Reincarnation and Family Karma

It was 1923 and a man named Arthur Lammers received a psychic reading from Edgar Cayce when, for the first time in the Cayce readings, a past life was mentioned. In fact, Lammers was told that he was in his third life on earth and had once been a monk. From that point on, and for the rest of his life, Edgar Cayce would give "life readings" (the second largest group of readings in the set of 14,000 given by Cayce) that discussed how one's past lives were affecting them in their current life. Author Ann Jaffin has pulled together

invaluable insights on reincarnation and our purpose here on earth from the rich source of these Cayce readings. Topics include: * How we choose our parents before we are born * Karma as cosmic cause and effect * Knowing our spiritual ideal * Transforming karma into grace * Our free will--God's greatest gift * Planetary sojourns and the role Arcturus plays Jaffin's book will give you a deeper understanding of reincarnation in all its many aspects, while explaining how reincarnation supports us as we strive to fulfill the very purpose of our souls.

Past Lives and Present Karma

Taking up from where she left off *Many Mansions*, the author pursues the philosophical aspects of reincarnation evidenced in the life readings of world-renowned psychic, Edgar Cayce, as well as data derived from experiments to determine whether human memory can be taken back to a period before birth. She touches on some of the people who have believed in reincarnation--among them, Plato, Virgil, Emerson, Whitman and Edison. The implications of reincarnation for art, psychology, and religion are considered. And she notes, in conclusion, the hope and promise reincarnation holds for our troubled world. This is an important, heartening book, as interesting and credible as it is inspiring. Lucid, concrete, consistent, it will help individuals understand themselves and their destiny. And to skeptics or believers, it offers a brave, fresh concept of the meaning of life. Book jacket.

Many Mansions

Is it true we have lived before this lifetime? Why was the concept of reincarnation removed from the teachings of the Christian Church? What is karma? What are the rules governing it? Why did Edgar Cayce define karma as simply "meeting yourself"? Does each of us have a soul mate? How do we recognize our soul mate when we meet him or her? Why do we seldom meet our soul mate? Can we invoke or pray for a soul mate to appear in our life? These and many other fascinating questions about human relationships, universal justice and multiple rebirth are discussed in this much awaited book on *Soul Mates, Karma and Reincarnation*. This is the only local book on this subject written by JAIME T. LICAUCO, the country's foremost authority on mind development, paranormal phenomena and Philippine mysticism. Drawing on his vast knowledge of esoteric sciences, Mr. Licauco provides the reader with an in-depth explanation of soul mates, karma and reincarnation.

Cayce, Karma, & Reincarnation

This insightful book helps readers come to grips with the karmic connections from past lives that have helped create the circumstances of their lives today.

Reincarnation

This is a fast-reading, far-reaching look into the strange concept of our soul's life, describing how our soul goes through a recurring cycle of incarnations bringing karma that affects us in a way often unseen, like a shadow over our personality's life and relationships today. Van Auken explains how and why reincarnation occurs, where our past-life memories are stored, and how we may become aware of our soul and its karmic patterns. He explains soul mates, twin souls, soul groups, and reveals what our souls are doing when they are not incarnating! He revisits passages in the Bible about our origin and true nature, a nature that is not affected by the death of the physical body. Using sources from the Hindu Akashic Records and the *Book of Life* or *Book of Remembrance*, as well as Kabbalistic and Gnostic teachings, he gives us examples of how our soul sees life rather than our earthly self's view. He uses Edgar Cayce's discourses to add to our overall understanding of soul life versus personality life. Destiny, fate, and karma are explored as well. Then he has a series of chapters of meditation, dreams, living by ideals rather than allowing circumstances to direct our lives. There's a fascinating chapter telling the lifetimes of one soul's whole series of incarnations, and how each of them contributed who she is today and why specific people are in her life today. All in all, it is an

interesting and compelling revelation about a life few of us are aware of but are apparently living at some level of our consciousness.

Soul Mates, Karma and Reincarnation

Each one of us is composed of strengths and weaknesses, and we must face the ramifications of both. We learn what to do by learning what not to do, and we can also learn from the experiences of others. The Redemption of Elaine Geraldine is a learning book. Its message helps the reader see beyond the barriers of time and space, and into the future -- for there is a future, regardless of how painful our present life may be. Through a story that reveals this essential truth, Numa Jay Pillion explores the characteristics of three individuals: their sexuality, self-indulgence, and self-will. He also examines the consequences of those characteristics. Elaine Geraldine is the person who paid the greatest price for her mortal sin. And because the consequences of her sin were overwhelming, this book is titled in her memory. Read on...and discover how we can achieve victory over the dark. Numa Jay Pillion has spent the last sixty years studying metaphysical and esoteric teachings. He is the author of Life Stories, Life Readings, The Heart of a Convict, Spiritual Eyes, and The Immortal Truth.

Karma and Reincarnation

A bestselling account of the many healings and other works of a legendary psychic and an affirmation of the belief in reincarnation. In this study of one of America's greatest psychics, Edgar Cayce, Gina Cerminara explores the "magnificent possibility" of reincarnation as not only a method to understand our existence, but the truth of it. Using Cayce's detailed and expansive files that span decades of his research and practice in the field of psychic phenomena, Cerminara delves into the essential essence of reincarnation and its purpose. Told winningly and to the heart of the matter, Many Mansions will be a revelation to many and a confirmation to some about the meaning of human life and the myriad of opportunities afforded to us by the existence of reincarnation. Praise for Many Mansions "Dr. Cerminara . . . is one of the most engaging and penetrating scholars in this field. . . . Perhaps the most attractive quality in her writing is the leavening of wit and insight which shines in these pages." —Robert Kirsch, Los Angeles Times "Edgar Cayce was clearly one of the most remarkable psychics who ever lived. Gina Cerminara's compelling book is . . . unique and extremely important." —Jeane Dixon

Reincarnation & Karma

On June 23, 1936, Edgar Cayce, the most renowned psychic of the 20th century and the father of holistic medicine, gave a Life Reading for Thomas Jefferson (T.J.) Davis, the two-day old nephew of his secretary, Gladys Davis. In this Reading, Cayce identified one of the child's past lives as that of Thomas Jefferson, adding this stunning prediction—that he "may become more important in the affairs of the WORLD than this entity in its previous experience has been to America—Thomas Jefferson." This book examines all the reasons why that prediction never happened. It is an endearing look at the relationship between Cayce and young T.J., who was tutored by Cayce for the first nine years of the boy's life in preparation for the great work ahead of him. But it also explores how decisions made by T.J.'s absentee parents put their son's soul on a totally different path. For those who make the assumption that a soul that reaches the greatness of a Thomas Jefferson would continue its upward trajectory, this book clearly illustrates the role that free will plays in the outcome of any life. It is a classic case of karma in action, of synchronistic events that make one cringe to think how close and yet how far T.J. was from being the redemption of the world.

The Redemption of Elaine Geraldine

This collection of case studies, taken from the files of the late clairvoyant Edgar Cayce, explores the concept of reincarnation in terms of the beliefs of Christianity.

Edgar Cayce on Reincarnation

Discover the legacy of the most famous psychic of the 20th-century in this stirring exploration of psychic abilities, reincarnation, and other paranormal phenomena. There are remarkable parallels between the work of David Wilcock and Edgar Cayce—the legendary clairvoyant, ‘sleeping prophet’, and ‘father of holistic medicine’. Here, author Wynn Free explores these parallels, building a convincing case that the two men shared the same source of prophetic information—and that Wilcock might indeed be Cayce’s reincarnation. Compiling some of Wilcock’s most inspirational and life-transforming prophetic guidance from his channeled Source, this book conveys profound insights into topics such as earth changes, secret cabals, soul evolution, death and reincarnation, ascension, crop circles, and the theory of evolution. Explaining how energetic increases occurring in the Sun and planets can have scientifically-measurable, far-reaching effects in a number of realms, *The Reincarnation of Edgar Cayce* presents new evidence that this energy can transform DNA, potentially making ESP, telekinesis, levitation, and other paranormal activities as common as breathing and usher in the Golden Age promised by every major spiritual tradition in human history. Readers will come away with a deeper understanding not only of the life and work of both Wilcock and Cayce, but with a broader sense of the many forces—seen and unseen—at work in the universe today.

Cayce, Karma, and Reincarnation

"I want very much to tell my story. You see, there may not be another story like this in all the world." So begins the tale of eighty-five-year-old Clara Cabot's remarkable journey through time and history. Clara relates her life story to a reporter, as she has been eyewitness to the rise and fall of a small Utah town and its nearby military base for sixty years. However, much more than a simple tale of history, Clara's unique narrative describes how actions from previous lives have set in motion her experiences in the present. Her relationship to her younger sister is karmic and associated with the child she abandoned in 19th century Wyoming. Her attraction to a self-centered husband is connected to fantasies she acquired during a seventeenth century life in England, when she longed to be with a self-center lord. Her psychic talent has been a part of her soul since becoming involved in mysticism in early Palestine. Clara's highly developed intuitive sense, which she calls "looking sideways," reveals how the tragedies and challenges of the present are simply the continuation of patterns set in motion in the long ago past. At first a complete skeptic, the reporter is eventually won over by the narrative and eventually comes to understand her own surprising connection to Clara Cabot through time. Clara's story portrays the amazing saga of the soul and some surprising revelations about the nature of life and the responsibility each of us shares in co-creating our lives.

Edgar Cayce and the Unfulfilled Destiny of Thomas Jefferson Reborn

Edgar Cayce's rare mind tuned to the Universal Mind gives us extraordinary insights into the power of our own minds. In this fascinating book, Cayce illustrates how thoughts are things, that may become crimes or miracles in our lives. He explains how by changing our thinking patterns, we can change our life for the better. He also gives a unique view into our mind at sleep describing the influences motivating our dreams and visions, and showing us how to better interpret them. He clarifies why the dreaming mind is so much more important to us than we realize. He also addresses the need to move away from a too self-centered consciousness, opening up to a larger consciousness with powerful intuition and precognition.

The Reincarnation of Edgar Cayce?

The Edgar Cayce story is one of the most compelling in inspirational literature. Over the course of forty years the Sleeping Prophet time and again closed his eyes, entered an altered state of consciousness, and spoke to the very heart and spirit of mankind on subjects such as health, healing, dreams, meditation, sexuality, and reincarnation. His more than 14,000 readings are preserved at the Association for Research and Enlightenment. And now, with the guidance of Edgar Cayce, we can learn how to mine our psychic strengths for happier and healthier lives. Here are the readings of The Sleeping Prophet, condensed and simplified--the wisdom to help us make the right decisions affecting all facets of our lives. Cayce speaks out on: The sources of psychic development, reincarnation, Karma and grace, dreams, meditation, prayer, personal health (including diet and exercises,) holistic healing, sexuality, spirituality, rejuvenation, religion, spiritual

psychology, and much more. Cayce offers us the keys to insight, enlightenment, and total fulfillment.

Edgar Cayce on the Reincarnation of Famous People

A new edition of the landmark, worldwide bestseller on the life of the famed medical clairvoyant and founding father of the New Age: Edgar Cayce. Edgar Cayce (1877-1945) is known to millions today as the grandfather of the New Age. A medical clairvoyant, psychic, and Christian mystic, Cayce provided medical, psychological, and spiritual advice to thousands of people who swore by the effectiveness of his trance-based readings. But Cayce was not always a household name. When a young, skeptical journalist named Thomas Sugrue first met Cayce in 1927 the world had not yet heard of the "sleeping prophet." During years of unique access, Sugrue completed his landmark biography, which on its publication in 1942 brought national attention to Cayce and stands as the sole record written during the seer's lifetime. This edition includes a new introduction by historian Mitch Horowitz that highlights the enduring significance of Cayce's message and the role this book played in its dissemination.

Many Mansions

Formerly titled Lives of the Master, this book is a bold look at how the Bible, the Edgar Cayce readings, the ancient Gnostic, and the Eastern and Egyptian tests reveal a consistent and intriguing pattern of reincarnation by the master soul.
